Praise for <i>We are Inseparable</i>	ix
Foreword by Dr. Gladys Kalema-Zikusoka, Wildlife Veterinarian, Conservationist and Author	xi

1 Bwindi Impenetrable National Park

B-1	Why was Bwindi Impenetrable National Park (BINP) established?	2
B-2	Why does Bwindi Impenetrable National Park (BINP) want to protect mountain gorillas?	3
B-3	How was this ancient forest protected before becoming a national park?	4
B-4	Why is the park called Bwindi Impenetrable Forest?	5
B-5	What makes Bwindi Impenetrable National Park's diversity so unique?	6
B-6	How have BINP and communities built mutually beneficial relationships?	7
B-7	How does UWA's wildlife compensation program help community-BINP relationships?	8
B-8	What's the relationship between the mountain gorillas and people living in neighboring communities?	9
B-9	What's the relationship between the forest and people living in neighboring communities?	10
B-10	What is the relationship between the Batwa and the forest?	11
B-11	What is the relationship between the Batwa and the mountain gorillas?	12
B-12	What happened to the Batwa when the BINP was formed?	13

2 Mountain Gorillas

Physical Characteristics

G-1	Long Fur	18
G-2	No Tail.	19
G-3	Thumbs on Hands & Feet	20
G-4	Long Arms, Broad Shoulders	21
G-5	Big Round Belly	22
G-6	Unique Nose Prints	23
G-7	Silver Fur on Adult Male	24
G-8	Teeth.	25

Daily Activities

G-9	Daily Routine: Walk, Eat, Rest	28
G-10	Eat Plants	29
G-11	Rest & Play	30
G-12	Build Night Nests.	31
G-13	Groom Each Other.	32
G-14	Climb Trees	33
G-15	Get Curious	34
G-16	Lifespan of Gorillas	35

Communication

G-17	Belches.	38
G-18	Hoots & Roars	39
G-19	Chest Beats	40
G-20	Face Expressions	41
G-21	Odors & Smells	42
G-22	Charges & Bluffs	43

Group Roles

G-23	Family Groups	46
G-24	Dominant Silverback Male	47
G-25	Blackback Males	48
G-26	Additional Silverbacks	49
G-27	Adult Females	50
G-28	Pregnant Females	51
G-29	Dads	52
G-30	Moms	53
G-31	Babies	54
G-32	Juveniles and Teenagers	55
G-33	Lone Gorillas	56

3 Ecosystems of Bwindi Impenetrable Forest

Forest Ecosystems

F-1	Land of Mist	60
F-2	Mountain Rainforest	61
F-3	Sunny Meadows	62
F-4	Thick Undergrowth	63
F-5	Forest Soil	64
F-6	Forest Water Catchment	65
F-7	Groundwater to Wells	66
F-8	Forest Streams	67

Animals of the Forest

F-9	Gorillas (Engagi)	70
F-10	Chimpanzees (Empundu)	71
F-11	Forest Elephants (Enjojo)	72
F-12	Duikers (Efumbiri)	73

F-13	Baboons (Enkobe)	74
F-14	Colobus Monkey (Enkyende)	75
F-15	Golden Monkey (Enkyende)	76
F-16	Red-Tailed Monkey (Enkyende)	77
F-17	L’Hoest’s Monkey (Enkyende).	78
F-18	Bush Pig (Empunu)	79
F-19	Pangolin (Engamba)	80
F-20	Bees (Enjokyi)	81
F-21	Butterflies (Ekyihuguhugu).	82
F-22	Birds (Enyonyi).	83

Plants of the Forest

F-23	Mahogany Tree (Omuyovii)	86
F-24	Ficus Trees (Ekyitoma).	87
F-25	Ceiba Tree (Ekitoma).	88
F-26	African Tree Fern (Ekigunju)	89
F-27	Edible & Medicinal Plants.	90
F-28	Favorite Plants of People	91
F-29	Food for Wildlife	92
F-30	Favorite Foods of Gorillas	93

4 Jobs supporting the forest and wildlife

J-1	Park & UWA Staff.	96
J-2	Ranger Patrols	97
J-3	Ranger Guides & Trackers.	98
J-4	Gorilla Guardians.	99
J-5	Wildlife Vets & Scientists	100
J-6	Porters for Tourists	101
J-7	Drivers for Tourists	102
J-8	Lodging & Service Staff	103

J-9	Artists & Handcrafters.	104
J-10	Coffee Farmers	105
J-11	Conservation Org. Staff.	106

5 STEAM Conservation Projects

P-1	Reduce Human-Wildlife Conflict	110
P-2	Reduce Community Litter.	111
P-3	Repurpose Plastic Waste.	112
P-4	Reforest with Indigenous Trees	113
P-5	Grow Edible & Medicinal Plants.	114
P-6	Create Alternatives for Wood Fuel.	115
P-7	Improve Hygiene & Sanitation	116
P-8	Capture Rainwater	117
P-9	Clean Polluted Water	118
P-10	Provide a Reliable Protein Source	119
P-11	Educate with Art or App	120
P-12	Build Bee Apiaries	121
	Learn About Bwindi Youth Guardians and STEAM Projects.	122
	Bwindi Cards Story	124
